

*Our employees tell us SaskCentral is a great place to work. It's more than the competitive salaries and excellent benefits we offer. We believe you can have a challenging, rewarding career and work life balance, too. We value and support workplace diversity.*

## **Capital and Treasury Analyst (18-Month Term Position)**

If you have an analytical mindset and enjoy working in a collaborative work environment, this may be the role for you. SaskCentral's Finance division is looking for an individual that takes initiative and supports cross functional work teams. Reporting to the Manager, Capital & Liquidity, you will provide technical analysis and reporting for SaskCentral's capital, liquidity, compliance and treasury related functions.

### **The Job**

In this position, you will be required to complete compliance reviews associated with SaskCentral's financial management policy and support the capital and liquidity management functions for the organization. You will support the treasury function and provide timely and accurate technical and financial analysis. As an important part of this role, you will also support the analysis of strategic investees and system partners by gathering information and preparing reports.

### **The Candidate**

You will have a degree in business/commerce and/or solid experience with these functions. You will have advanced knowledge of balance sheet, capital, liquidity and risk management concepts and practices. You will also have working knowledge of accounting policies and regulatory environments (provincial, national and international). Comprehensive knowledge of finance, short-term cash and investment management concepts is required. You will have strong problem solving, research, analytical and communication skills. A minimum of two years' experience working in the credit union system and/or financial services sector is required for this position. The core competencies for success in this position are teamwork, flexibility and creative thinking.

Please include in your cover letter examples of how you meet the qualifications for this position. Interested applicants should submit a resume in confidence stating **Competition No. 1117-13-FTT** by **December 20, 2017**.
