

SaskCentral is owned by Saskatchewan credit unions to serve and represent their collective interests. We add value through the sound investment of credit union funds on deposit, as well as providing a wide range of products and services to maintain credit union leadership in the marketplace.

Manager, Business Applications and Support

We are seeking a seasoned professional to oversee the stability, integrity, flexibility and efficient operations of SaskCentral's financial information systems that support and enable our business services.

If you are innovative with strong communication skills, and enjoy problem solving while working collaboratively, this may be the position for you.

The Job

Reporting to the Associate Vice-President, Technology Solutions you will provide leadership to technical projects and oversee the solution planning and lifecycle management of our financial information systems. You will manage information technology projects with a focus on appropriate resource utilization and resolution of problems. You will also oversee information technology regulatory compliance activities to ensure SaskCentral understands and mitigates risk to its financial business systems. In this role, you will provide effective leadership, coaching and clear direction to your team members.

The Candidate

You will have a degree or certificate in Business Administration/Commerce, combined with five years of progressive leadership experience. You will have extensive knowledge of change management processes and the ability to lead and sponsor change. A project management designation would be preferred. You will have demonstrated experience with Oracle and other finance and treasury applications. With a business analyst background, you will have solid problem solving skills, business acumen and strategic thinking skills complemented with strong communication skills. Experience with the credit union system and/or financial services sector would be an asset.

Please include in your cover letter examples of how you meet the qualifications for this position. Interested applicants should submit a resume in confidence stating **Competition Number 1117-11FTP by January 22, 2018.**
