Senior Consultant, Deposit Compliance (Term to December 31, 2020)

We are looking for a seasoned professional to support operational deposit compliance requirements and procedures for credit unions in Saskatchewan, Alberta and Manitoba. You will research issues, analyze information and develop procedures to ensure credit unions are supplied with deposit information, products and tools that comply with provincial and federal legislation.

The Job

The successful candidate will lead, design and deliver legislatively compliant deposit and anti-money laundering documentation for Saskatchewan, Alberta and Manitoba credit unions. You will support the development of training content to meet ongoing deposit requirements and identify the need for specialized training when warranted by legislative changes. Using your strong interpersonal skills, you will build, maintain and manage relationships with credit unions while providing guidance and support. You will also research and develop new products requested by credit unions or identified through special projects. This position requires some travel in order to provide expertise at training sessions and meetings both within and outside Saskatchewan.

The Candidate

Our ideal candidate will have extensive experience in the credit union system or financial sector providing operational support in the areas of deposit compliance and anti-money laundering. You are detailed oriented and able to build strong relationships with credit union management in order to deliver an excellent client experience. Strong organizational, facilitation, verbal and written communication skills are key requirements for this role. Advanced knowledge of financial legislation and requirements is an asset for this position.

Please include in your cover letter examples of how you meet the qualifications for this position. Interested applicants should submit a resume in confidence stating **Competition Number 0919-21-FTT by September 16, 2019.**
