

*SaskCentral is owned by Saskatchewan credit unions to serve and represent their collective interests. We add value through the sound investment of credit union funds on deposit, as well as providing a wide range of products and services to maintain credit union leadership in the marketplace.*

## **Senior Analyst, Accounting & Reporting (Term Position to December 31, 2020)**

We are seeking an innovative and collaborative finance professional to join our Accounting & Reporting team. The successful candidate will provide expertise and leadership in the preparation and delivery of financial and regulatory reporting for SaskCentral and its clients.

### **The Job**

Reporting to the Manager, Accounting & Reporting, you will lead SaskCentral's external financial reporting function and accounting services for our external clients. You will prepare monthly, quarterly and annual financial statements as well as required tax and regulatory reporting. You will co-ordinate and provide information for the annual external audit process and various internal audits. You will maintain a current knowledge and understanding of the International Financial Reporting Standards (IFRS) and the impact these standards have on our reporting methodologies and financial statements. You will also provide subject matter expertise on SaskCentral's technical projects. An important part of this role will also be to provide leadership to your direct reports by motivating and engaging employees, setting performance standards, coaching and providing feedback.

### **The Candidate**

You will have a degree in business administration or commerce supplemented by a professional accounting designation (CPA) and three years' experience in financial reporting. You will have comprehensive knowledge of financial accounting and reporting principles, specifically IFRS, as well as tax and regulatory requirements. You will also have solid problem solving skills, advanced research and analytical skills complemented with strong communication skills. Experience with Oracle software, the credit union system and/or the financial services sector would be an asset.

Please include in your cover letter examples of how you meet the qualifications for this position. Interested applicants should submit a resume in confidence stating **Competition Number 0419-17-FTT by May 17, 2019.**
