## **SaskCentral is being recognized as a Great Place to Work**

**Regina, April 26, 2019** – SaskCentral is proud to be named by the Great Place to Work<sup>®</sup> Institute Canada as the 13th best workplace in Canada in 2019 for organizations with less than 100 employees, making the list for the 12<sup>th</sup> consecutive year.

SaskCentral is committed to ensuring an inclusive workplace with a rewarding incentive program where employees can enjoy a healthy work-life balance. This commitment has played a major role in the success of the organization.

“Supporting our employees and ensuring they are recognized for their achievements are top priorities for SaskCentral,” said CEO Keith Nixon. “We appreciate the immense value of our people and understand that maintaining a positive culture and encouraging high employee engagement helps position us for continued success.”

This list of “Best Workplaces in Canada” is compiled by the Great Place to Work<sup>®</sup> Institute Canada. The competition process is based on two criteria: employee feedback gathered through a survey, and a review of the organization’s culture done through a management questionnaire. This offers a representation of the organization from an employee perspective, as well as an overall portrait of the workplace culture. Together, they provide data relative to the five trust-building dimensions of a great place to work<sup>®</sup>: credibility, respect, fairness, pride, and camaraderie.
